Uh, I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload

Grew up in a house full of women, they ain't need no nigga  
Never seen 'em borrow shit, they had they own figures  
OG said they'll give you money 'fore they give your game  
But when they come around here, I treat them niggas all the same  
I say no  
I say no, no reload  
If you want another feature for the road, no reload  
If you tryna get a meeting, that's a no, no reload  
If I switched that number up and you ain't know, no reload

Uh, I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload

In the crib makin' beats, listening to Keedy Black  
Thinking 'bout what my old work did behind my back  
But I ain't missin out on nan', 'cause I'm the best he never had  
Only time I double back is when a loop is in my track  
I say no (Yeah)  
I say no, no reload  
When they try to come back you tell that ho, "No reload"  
Just send that ass packing down the road, no reload  
And when they ask you how you know, you say my ace in a hole

Uh, I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload  
I say no, my nigga, I say no, no reload
