

Don't you know that you're a queen? Oh
Oh
Don't you know that you're a queen? Oh

Shine on 'em
Don't waste your time on 'em
We don't cry in the field, we show 'em how we feel, then up yo' dime on 'em
Rock steady, we climb on 'em
Turn water into wine on 'em
It's by His grace that we in this race, so keep yo' mind on Him
No chops on the face card
In the field like you base god
Run up the score, open the door, just keep yo pace, God
You somebody trust, somebody crush, somebody's faith, God
So go set yo' tone and wake it up in the morning and do it again
Bet my next move, uh
Is a dance to the best groove, uh
We don't care what the rest do, uh
We reside where the best do, uh
No matter how you made it out
A legacy girl, or you swam through a drought
This yo song, show the world what you 'bout
It's all about, uh

The diva living on the couch, Granny with the switch
The lady with the Grammys, and the nannies, and the whips
The one on the block, the one on the strip
Adina from the Swats, Meka from St. Kitts
And the next RnB chick
The girl with the lens, and the film, and the script
Save yo' money and fund your own shit
They can't break what they ain't equip, look
I was couch to couch, pillar to post
Now I sit courtside, doing the most
Ballin' is life, and it's nothing but net
And I ain't met a check that I wanna trade yet
Build your own brick by brick
Always be grateful, always be quick
Don't take handouts, support your clique
And leave that lover if they ain't 'bout shit

Shoutout to the ladies at Feather n' Fin
All my girls doing time in the pen
Chopsticks on the block, get yo' yen
Speaking from the heart, I am not without sin
I used keep it all in my sock
Now I sell a different kinda rock
Roll with me
Now I bring the pot on the yacht
Undock from Woodstock, straight to the top
Princess Anne to the Boulevard
Summa cum laude to the Navy yard
Raleigh, Gun Hill, Park Slope, Fayetteville, go hard
This one's for them girls in the shelters
AKAs and them Deltas
Cashiers at the Food Lion, all that matters is you trying
So keep it up, queen

Don't you know that you're a queen? Oh

Shine on 'em

But don't fall in line on 'em

Run that meeting, write that treatment, this yo' time on 'em

Coach that team, sew that seam, put it all on the line on 'em

Get money all the time on 'em

And elevate yo' mind on 'em, stay kind on 'em

But don't go third eye blind on 'em, uh
