Je t'adore, mi amour  
Taste the fame, feed me more  
Say my name, I assure  
I'm the light, I'm the lure  
Do not slip, on my floor  
Find a cone, this is war  
My love sticks, shakes the core  
Not a game, but I score  
I am the one I really give it  
You cannot handle me  
You ain't never taste a flavor quite like me  
I'm, sugar baby try and catch me  
But don't chase my truck  
With ya mothers bucks  
Noo  
I keep they heads on a swivel  
If you really want a treat  
Then get to the middle, of the floor  
For this recipe they gon' need heavy cream  
They crave my touch, for me they all scream

Soft, serve  
Soft, serve  
Lick it up

Soft, serve  
Soft, serve

Mmm  
Mmm  
Mmm  
Mmm, lick it up

Mmm, mmm  
Mmm, mmm

If you see me giving out samples  
Just know, I came to clear  
Scoop it up  
Yes I charge for extras  
My price I don't compare  
If you see me giving out samples
