I came here to talk back, I-I came here to fuck shit up
I came here to talk smack, I-I came here to fuck shit up
I came here to talk back, I-I came here to fuck shit up
I came here to talk smack, I-I came here to fuck shit up
I came here to talk back, I-I came here to fuck shit up

I know y'all seeing that we back again
Everybody happy that we jumpin' in
Two times a charm and we goin' in
Me and my amigo back at it again
I know y'all seeing that we back again
Everybody happy that we jumpin' in
Two times a charm and we goin' in
Me and my amigo back at it again

We stomping on your lawn, you can't keep up (Say it again)
We stomping on your lawn, you can't keep up (Say it again)
We stomping on your lawn, you can't keep up (Say it again)
We stomping on your lawn, you can't keep up (Say it again)

Chicka chicka bang, chicka chicka bom bom
I'm lookin' at the paper, checkin' on my [?]
Think I wanna spend my cash on a trip to the moon
I might be the first but we really don't know
I came here to talk smack, I-I came here to fuck shit up
I came here to talk back, I-I came here to fuck shit up
Chicka chicka bang, chicka chicka bom bom
I'm lookin' at the paper, checkin' on my [?]
Think I wanna spend my cash on a trip to the moon
I might be the first but we really don't know
I came here to talk smack, I-I came here to fuck shit up
I came here to talk back, I-I came here to fuck shit up

You see, baby? I'm sitting here and I'm laughing at you
I'm laughing cause you're thinking too hard
You need to just let go and have some fun
It ain't that serious, just do you, boo
Join in, everybody who's with me
Let's start this movement

I know y'all seeing that we back again
I know y'all seeing that we back again
I know y'all seeing that we back again
I know y'all, know y'all, know y'all
I know y'all seeing that we back again
Everybody happy that we jumpin' in
Two times a charm and we goin' in
Me and my amigo back at it again
