You are now tuned in to WHAIR Radio
Your one stop shop for everything press-on and beyond
Girls, I got a hot comb to give away in just a second
But first, I wanna get to the phone lines and take some requests
Caller, are you there? State your name and where you're from.

Aoow, this your girl Quana from Jersey City
I'm just calling in to request that new Leikeli47, "Wash and Set"
Just wanna shout out to all my bitches in the 201, 973 area
What's up TT?
Shout out to all my people out there in Camden, Trenton, East Orange, Newark
, you know how we do...

Hair, conditioner, leave in, leave in

I keep my phone in airplane mode
Black, first class, bonnet on
Walked down the street and saw my girl Mo
She dropped her pins and all you saw was hair
Dragging in the middle of the floor
Shit so long it got caught in the door
My inches help me sweep up the dough
Money green, money green, streaks to the floor
(Hair) Runway ready like whoa
(Hair) G-H-E-T-T-O
(Hair) I seal my ends on the go
(Hair) Come get into my new growth

Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair

Catwalk, catwalk, don't pin it up
Let that wind catch every time strut
Grow it, buy it, gel it, gel it up
Luh to flip my shit, bitch, I don't give a fuck
With a blunt bang like what
A chocolate Kimora Lee in the cut
Bundles pass my butt
My beauty supply thinks I'm a hair slut
(Hair) Gives me the power I need
(Hair) It helps me feel my beat
(Hair) Short cut, bob, weave
Notorious W I G

Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair

Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair

Girl let me call you back
I have to lay down my edges
Install a few racks
So baby don't touch the tresses
Come come doobie wrap
We see you peeking in, obsessing
You know I like my plaits to the back
With the baby hair looking like a blessing
With the baby hair looking like a blessing
With my baby hair looking like a blessing, uh

Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
Hair, conditioner, leave in, leave in
Hair, conditioner, leave in, hair
