

No More Words

Leith Ross

No more words left
I have no more words left
There's no more ways to say it
I tried my best and I'll swear it, but there's no more words

No more words left
I have no more words left
I'll try my best to show it, and I know that you know it, but t
here's no more words

And my only concern is that if I have used them all
And they still aren't enough, then you'll never know how I love
d you
Ooh

No more days left
I have no more days to take care of
Already promised you forever
Fuck marriage, vows, that's better
Now there's no more words

And my only concern is that if I have used them all
And they still aren't enough, then you'll never know how I love
d you
Ooh
