

Closer

Lemâitre

I feel the shyness taking over
Been waiting to come closer
To come and take me away
And I can feel my heart skip
Every time that I slip
I want to runaway

I I've been working the morning
Don't get off in the night
I can't find the time to clear my mind
Oh with even the lazy days
Said I wanted a careless ways for me to be a living

I feel the shyness taking over
Been waiting to come closer
To come and take me away
And I can feel my heart skip
Every time that I sleep
I want to runaway

I feel the shyness taking over
Been waiting to come closer
To come and take me away
And I can feel my heart skip
Every time that I slip I want to runaway
