

Eyes Wide Open

Lemâitre

Show me around
Head to the ground
I can only hear sound
I wanna see
All the colors you see
Do you see them

I wanna get a good look
I want a brighter outlook
Then you show me around
But we only go down down down

When I finally get up
I can see it coming
I can see it clear-cut
Gotta fall back
But I won't go back where I came from
Down but I wanna go up
Down cause I gotta get up

And then you show me a sign
But I miss it I'm blind, I'm blind

With my eyes wide open
With my eyes wide open

You think you've caught up
You think you caught up but shit never stop
Cause it's never enough

Gotta stop myself cause I'm gonna
Crash, I'll never give up
Sobered up but I still got no luck
Then you show me a sign
But I miss it I'm blind, I'm blind

With my eyes wide open
With my eyes wide open
