

# The End

Lemâitre

You know what  
You been better...

But why let it go?  
Why let it go?  
When revenge is way more fun

But when your on the run  
Don't look back  
Don't look back

Because that's how it ends

You're asking for it too  
And I'll still try to go

Don't you look back  
Think of all the times  
Plus it starts to seem  
Like there's no way  
Like there's no way

So I take my chance  
Though it seems I'm dreaming

So I take my chance  
Though it seems I'm dreaming  
And I can't stay here  
So this is where it ends  
And I changed my mind  
Cause my faith is leavin'

Don't you look back  
Think of all the times  
Plus it starts to seem  
Like there's no way  
Like there's no way

You're asking for it too  
20 years to go, I'll still try to

So I take my time  
Though it seems I'm dreaming  
And I can't stay here  
So this is where it ends

And I can't stay here  
So this is where it...  
Ends
