

# Trip Sitter

Lemâitre

I'm fading  
In and out of ecstasy  
I'm in the deep end  
Loving what it does to me

I'm fading  
In and out of ecstasy  
I'm in the deep end  
Ohh ohh

I'm a little high up trippin' 3D  
Looking for messiah to come and save me  
But I'm fine  
I'm fine

Looking down, times up, losing my speech  
Everything's melting, like a Dalí  
But it's fine  
I'm fine

I'm sinking  
Elevate my state of mind  
Out of the deep end  
Celebrate the undefined

I'm sinking  
Elevate my state of mind  
Out of the deep end  
Ohh ohh
