

# What About U

Lemâitre

There's something in the water  
Something in your eyes  
I know you well enough  
A storm is on the rise  
You ask if I'm ok  
Yeah sure I'm fine  
But I don't wanna talk about me

What About You?  
Youuu  
What about, what about you?

What About You?  
Youuu  
What about, what about you, what about you?

What About Us?

Sometimes I feel like I can fly  
I'm up here looking down  
Yeah, I might as well just try  
I'm not afraid to fall  
But I'm scared of heights  
I wonder what it's like on the other side

What About You?  
Youuu  
What about, what about you?

What About You?  
Youuu  
What about, what about you, what about you?

What About Us?  
What About You?

Maybe you can talk me down, take a minute and show me how  
Tell me what you thinking about

Maybe you can talk me down, take a minute and show me how  
Tell me what you thinking about

What About You?  
Youuu  
Maybe you can talk me down, take a minute and show me how  
Tell me what you thinking about  
What about, what about you?

What About You?  
Youuu  
Maybe you can talk me down, take a minute and show me how  
Tell me what you thinking about  
What about, what about you, what about you?

What About Us?

What About You?

What About You?

What About Us?
