

# Crazy Love

Lemar

I can hear how her heart beat  
For a thousand miles  
And the heavens open  
Everytime she smiles  
And when I come to her  
That's where I belong  
And I'm running to her  
Like a river song

She give me love love love love crazy love  
She give me love love love love crazy love

She got a fine sense of humour  
When I'm feeling low down  
When I come to her  
When the sun goes down  
Take away my trouble  
Take away my grieve  
Take away my heartache  
In the night like a thief

She give me love love love love crazy love  
She give me love love love love crazy love

And I need her in the daytime  
Yes I need her  
Said I need her in the night  
I want to float my arms  
I want to float my arms around her  
Kiss and hug her kiss and hug her tight

And when I'm returning  
From so far away  
She gives me some sweet loving  
Brighten up my day  
And it makes me righteous  
And it makes me whole  
It makes me mellow  
Down to my soul

She give me love love love love crazy love  
She give me love love love love crazy love  
She give me love love love love crazy love  
She give me love love love love crazy love  
She give me give give me ooh  
Crazy love  
Love love love love crazy love
