

Dust

Lemar

You could do so much better than me
Don't know how I got you in the first place
Just a matter of time before you see
I've been treating you the worst way
Cause I only told you half the truth
And I knew that you'd find out
But you love me so you're playing it cool
I see your tears don't dry now

And if I was you for a day
No way I'd tolerate. No.
I'd have a whole lot of attitude
Tell a whole lot of home truths
Said if I was you for a day
No way I'd tolerate, oh
I'd pack a bag and my good shoes
Leave a note in the bedroom

Goodbye my lover
I'll take my broken heart to another
Time will slowly heal my trust
But as for us?
Another one bites the dust

Good bye my lover
Hope you treat the next one better
I'll be gone when you read this letter
And as for us?
Another one bites the dust

Woooo, oo, oo, woooo, oo
Woooo, oo, oo, woooo, oo, oo
As for us?
Another on bites the dust
Woooo, oo, oo, woooo, oo
Woooo, oo, oo, woooo, oo, oo
As for us?
Another on bites the dust

And I'm really, really happy you stayed
Even with my lame excuse
And I promise I won't do it again
I'll hold it down for you
Cause in me you put a whole lot of faith
Did I take us too far to save?
I'm just waiting for the moment you say
That you've been working on your great escape

Cause if I was you for a day
No way I'd tolerate, oh
I'd pack a bag and my good shoes
Leave a note in the bedroom

Goodbye my lover
I'll take my broken heart to another
Time will slowly heal my trust
But as for us?

Another one bites the dust

Goodbye my lover
Hope you treat the next one better
I'll be gone when you read this letter
And as for us?
Another one bites the dust

Woooo, oo, oo, woooo, oo
Woooo, oo, oo, woooo, oo, oo
As for us?
Another on bites the dust
Woooo, oo, oo, woooo, oo
Woooo, oo, oo, woooo, oo, oo
As for us?
Another on bites the dust

We all get high sometimes
We all get low sometimes
And we all get lost sometimes
As for us?
Another one bites the dust

And we all get high sometimes
We all get low sometimes
And we all get lost sometimes
As for us?
Another one bites the dust
