

The Weekend

Lemar

I work so hard for everything I got
The hustle never stops
So hard to stay on top
Every now and then I gotta put it down
Get some friends around
Focus on right now

Now work is over and I wanna play
Got another cheque, I wanna celebrate
If you're 9 to 5 and you're feeling me
Here's what we gonna do

We gon' party up, party up!
Like it's the freakin' weekend
We 'bout to turn it up, turn it up!
Like money ain't a dam thing
The party ain't over
Till nobody's sober
We rockin' this all night
Alright
We 'bout to party up, turn it up!
Cause it's the freakin' weekend, yeah!

At times it seems you just can't do enough
The penny never drops
The going get's too tough
But for now forget the worries on your mind
They all will pass in time
Tonight, this is your night

Go on brush your shoulders, it's a brand new day
You got another cheque, you gotta celebrate
If you're working nights and you're feeling me
Here's what were gonna do

We gon' party up, party up!
Like it's the freakin' weekend
We 'bout to turn it up, turn it up!
Like money ain't a dam thing
The party ain't over
Till nobody's sober
We rockin' this all night
Alright
We 'bout to party up, turn it up!
Cause it's the freakin' weekend, yeah!

Music playin'
The whole room steppin'
Ain't nobody fightin'
DJ keep this one bumpin' cause the L is singin'
Got everyone sayin'
Thank God it's the weekend, yeah!

Party up, party up!
Like it's the freakin' weekend
We 'bout to turn it up, turn it up!

Like money ain't a dam thing
The party ain't over
Till nobody's sober
We rockin' this all night
Alright
We 'bout to party up, turn it up!
Cause it's the freakin' weekend, yeah!
