

Goosebumps

Lemon Demon

To the girl who cried monster
It's me, the ghost next door
I think I'm in deep trouble
You're the one I'm dying for
Every night in terror tower
I meet you in a dream
I say that you can't scare me
But in my heart I scream

You give me Goosebumps
Goosebumps
Honey, beware, you're in for a scare
Oh no

Beneath the haunted mask I wear
My eyes light up for you
I feel you in my monster blood
Am I in your monster blood II?
The scarecrow walks at midnight
But I walk all alone
Up and down the ghost beach
Where I found your bones

You give me Goosebumps
Goosebumps
Goosebumps
Goosebumps
Goosebumps
Goosebumps
Honey, beware, you're in for a scare
Oh no
