Lemon Demon

I tire of your mind games.  
I'm sick of playing Don't Wake Daddy.  
Good sir, no more Rock, Paper, Scissors for me.  
But wait, are we not civilized gentlemen here?  
I challenge you to a battle of knives!

KNIFE FIGHT,  
You're gonna fight for your life!  
KNIFE FIGHT,  
You're gonna fight with a knife!  
KNIFE FIGHT,  
A really really really sharp knife!

MARTY: Well guess what, man: I'll pin you to the wall!  
NEIL: Oh yeah?  
MARTY: Yeah, your knife is way too small!  
NEIL: Hey! My knife is super sharp and that's what counts! I'm gonna make you bleed copious amounts!  
MARTY: Yeah well I'll be sure to thank you right after I shank you!
