

## Sweet Bod

Lemon Demon

Your body is so sweet now, baby  
I'm saying trick or treat now  
You know I've got to have you, yeah  
You sexy sweet cadaver  
All wrapped up like a mummy  
I'll cover you in honey  
And wait a hundred years or so  
You know, you know

It isn't sexual (It isn't sexual)  
Strictly confectional (Strictly confectional)  
Strictly medicinal (Strictly medicinal)  
If a little nontraditional

I'm digging up your coffin  
And pouring out the contents  
Your sexy sweet solution  
Is prime for distribution  
Sweet bod

Your body's starting rumors  
Of mason jars of sweetness  
Whose satisfied consumers  
Have often claimed to witness  
Some sexy shrinking tumors  
A sweet return to fitness  
They're just a hundred bucks or so  
You know, you know

It isn't sexual (It isn't sexual)  
Strictly professional (Strictly professional)  
Entrepreneurial (Entrepreneurial)  
Oh, and what a sweet memorial

I'm digging up your coffin  
And pouring out the contents  
Good God I'm glad to see you  
Won't you be my panacea?  
Sweet bod  
Sweet bod, oh  
Sweet bod  
Sweet bod  
Sweet bod
