

Two Trucks

Lemon Demon

Two trucks having sex
Two trucks having sex
My muscles, my muscles
Involuntarily flex
Two trucks having sex
Two trucks having sex
My muscles, my muscles
Involuntarily flex

Two pickup trucks
Making love
American made
Built Ford Tough
Two beautiful
Murder machines
American angels in the sky
Grown men cry

Two trucks having sex (oh yes)
Two trucks having sex (oh yes)
My muscles (uh!), my muscles (uh!)
Involuntarily flex (huh!)
Two trucks, having sex (oh yes)
Two trucks, having sex (oh yes)
My muscles (uh!), my muscles (uh!)
Involuntarily flex (ha!)

Right by my side
There's ZZ Top
And Robert Z'Dar
From Maniac Cop
1, 2, and 3
This barbecue could bring you to your knees
And so could these
Two trucks

Two trucks holding hands
Two trucks holding hands
The passion, the passion
Is more than I can withstand
Two trucks holding hands
Two trucks holding hands
The passion, the passion
My big fat heart expands

Two pickup trucks
One cylinder block
Crush my body
Like a rock
So beautiful
No stars tonight
Just fireworks and eagles in the sky
The Founding Fathers cry

Two trucks having sex (oh yes)
Two trucks having sex (oh yes)
My muscles (uh!), my muscles (uh!)

Involuntarily flex
Two trucks, having sex (oh yes)
Two trucks, having sex (oh yes)
My muscles (uh!), my muscles (uh!)
Involuntarily! Huh! Flex!

Two trucks having sex
Two trucks having sex
My muscles, my muscles
Involuntarily flex!
Two trucks having sex
Two trucks having sex
My muscles, my muscles
Involuntarily flex!
Two trucks (having sex)
Two trucks (having sex)
Two trucks (having sex, having sex, having sex)
Two trucks (having sex)
Two trucks (having sex)
Two trucks (having sex, having sex, having sex)
