

We can't fly

Lemon

let me lay here, I don't want to talk about about it, anymore,
I'm so tired of this endless war of words let me love you, I do
n't want to think about it, anymore, I'm so tired of the endless
back and forth,

and we can't fly anymore, we've fallen back to earth, we always
said we'd try no matter how far or how wide the distance, you
and I, we'd take to the sky, but now we can't fly,

and we can't fly anymore, we've fallen back to earth, we always
said we'd try no matter how far or how wide the distance, you
and I, we'd take to the sky, but now we can't fly,

you and I, now we can't fly
