

Yellowstone Lady

Lemuria

Mile City, Montana
Driving east on 94
A dozen I gotta write
I know what about, not sure what for
Yellowstone lady
What if I stop here
Settle down on a prairie
Maybe down in Laneddeer
If you'll have me

Maybe you will join me
And be my Yellowstone lady
Maybe you will join me
And be my Yellowstone lady

Mile City, Montana
Driving east on 94
A dozen songs I gotta write
I know what about, not sure what for
Yellowstone lady
What if I stop here

Maybe you will join me
And be my Yellowstone lady
Maybe you will join me
And be my Yellowstone lady

Drag you out of Jersey
To be my Yellowstone lady
Yellowstone lady
What if I stop here
