

I Only Have Eyes For You

Lena Horne

My love must be a kind of blind love
I can't see anyone but you
And dear, I wonder if you find love
An optical ilusion, too?

Are the stars out tonight?
I don't know if it's cloudy or bright
'cause I only have eyes for you, dear
The moon may be high
But I can't see a thing in the sky
'cause I only have eyes for you

I don't know if we're in a garden
or in a crowded avenue
You are here, and so am I
Maybe millions of people pass by
But they all disappear from view
And I only have eyes for you
