

# The Sand And The Sea

Lena Horne

(Der der der, der der der, der der der)  
(Der der der, der der der, der der der)

Every day the sea  
Takes a little sand away  
(Sand and the sea, sand and the sea)  
Then the sea makes stones  
And puts them on the shore to dry  
(Sand and the sea, sand and the sea)

And the stones turn to sand again  
'Cause that's the way it goes  
On and on and on

That's the way I want our love to be  
That's the way I want our love to be  
Like the sand and the sea

Every time it snows  
Everything is colored white  
(Der der der, der der der, der der der)  
And if it should rain  
Soon the snow will melt again  
(Der der der, der der der, der der der)

Then the sunshine dries all the rain  
'Cause that's the way it goes  
On and on and on

That's the way I want our love to be  
That's the way I want our love to be  
Like the sand and the sea

(Sand and the sea, sand and the sea)  
(Sand and the sea, sand and the sea)

Then the sunshine dries all the rain  
'Cause that's the way it goes  
On and on and on

That's the way I want our love to be  
That's the way I want our love to be  
Like the sand and the sea  
Goin' on endlessly  
That's the way it should be
