

Fat Camp

Leng Tch'e

Fat camp, come on pass the mayonnaise
Eat another burger, I'll like you even more
Uncle Sam told me you to eat that shit
Fat camp, come on here my bourgoise tease bitch
Eat another bag of chips, I'll like you even more
Uncle Sam's getting rich and my pole stiff
Baggy tits, XL cunts, I'm a fatofiliac who likes chicks
like trucks
Huge ass bung, triple chin, gimme some lube to make it
swing
