What is this sitcom therapy?

What is emulation of empathy?

Thrashcan dating Big Brother shows, it's a brothel of emotions

Why the fuck should I care about a suburb bitch that can't find a man?

Why the fuck should I care about some fatass that eats himself to death?

You tell me, why the fuck should I care?

You tell me, what is this charade?

Ratings are money, a life for profit you tell me, are you that liable?
