

## Schematic

Leng Tch'e

9 to 5, empty shells do their part for society  
Numb yourself, get it on day in day out  
Braincells degrade for the sake of a paycheck  
IQ selectively reduced for a schematic... life  
Ambition left the heart of men  
For a bunch of zeros you sell yourself  
One day you will take the gun  
Shoot it all against the wall  
Do your time... schematic... life
