

Sick Brutal Gore Bastard (Keep It Fucking Sick)

Leng Tch'e

You write that you want to kill somebody
But have you ever really thought about it ?
I don't think so because you write
Such stupid infantile lyrics of corpse
Killing someone is not as easy
As in the movies, it takes more effort
And think about all the blood and gore
And the mental guilt and the trauma

You say you're really sick and brutal
You write that you want a lot more gore
I'd like to put you with the real tough guys
And let you ride with an ambulance

Hacked up to pieces, bathing in blood
But in reality you would just faint

You're so proud of your gory pictures
You're jerking off to bloody corpses
You're talking tough on the internet
Your big mouth is a cover-up for your tiny heart
