

Silence Is Better Than Unmeaning Words

Leng Tch'e

Standing for right when it's unpopular, is a true test
of moral character
It's better to live one day as a lion, than one hundred
years as a sheep
Silence is better than unmeaning words
Redefine
Silence is better than unmeaning words
Beneficiary of your slavery
Rotting your morals
Thrive in filth and garbage
Parasite
My idiots in governments acknowledging
They're hell bound and they know it
Their phallic worship will never fail
You're marginalized and conquered because of your
thoughts
I hold a grudge against you (for) denouncing all my
crimes
Truth (is) blasphemy
Denial as basic psychological defense mechanism
There's a beast in men that needs to be exorcised not
exercised
Moral
Cowardice
Keeps you
Speaking
Your mind
Irresponsible talk
If you're afraid to speak against tyranny, then you're
already a slave
Standing for right when it is unpopular (is a) true
test of moral character
