

Testosterone Collar

Leng Tch'e

I wanna be a macho man
My testosterone flies off the pan
Props and requisites give me that extra glit
But nothing equals the size of my bling
I'm a jerk, I'm a dick, all I wanna do is park my prick
I wanna be a macho man
My testosterone flies off the pan
Props and requisites give me that extra glit
But nothing equals the size of my bling
Macho man... yeah baby... I fly out the pan
