

World State Abomination

Leng Tch'e

Fatalist
Citizenry
Psychologically enthralled
Utopic survival
Sedation
Dysphoria
Sinister instruments
Of social control
Conception inconceivable
Human skewer
Devastated by anxiety
And conformism
Relegated
To a fading
Antiquarian relic
Depressive and suicidal
Transcending
Its underclass
Inevitable
Stratification control
Blood's turning red
To your inner questions, will be no response
Look what I've become
You just keep screaming when there is no response
All mine
Ignore your pain
Infectious growth inside of you (too)/u's gonna last
till you burn
Relegated
To a fading
Antiquarian relic
Depressive and suicidal
Fatalist
Citizenry
Psychologically enthralled
In utopic survival
Conception inconceivable
Human skewer
Devastated by anxiety
And conformism
...And they will remain in conformism
