

Badly

Lenka

Something's coming over me, I wanna behave badly
I'm not like this normally, I don't behave badly
No, I don't feel this way ordinarily
Don't know how long this feeling will stay
But there's one thing that I know

I want you so badly
And I know you'd be good for me
Want you so badly
And I'm just trying to get you to see
Be good, be bad
You know they're both one in the same
So won't you behave badly with me

Being good is overrated, so let's behave badly
Just look at all that we created, being behaved badly
Now I get the feeling there's nothing more I can say, honey
So let me take you away
'Cause there's one thing that I know

I want you so badly
And I know you'd be good for me
Want you so badly
And I'm just trying to get you to see
Be good, be bad
You know they're both one in the same
So won't you behave badly with me

You be a good boy, I'll be a bad girl
You be a bad boy, I'll be a good girl
You be a good girl, I'll be a bad boy
You be a bad girl, I'll be a good boy

I don't feel this way ordinarily
I just know

I want you so badly
And I know you'd be good for me
Want you so badly
And honey, I'm just trying to get you to see
Be good, be bad
You know they're basically one in the same
So won't you behave badly with me
