

# Everything's Okay

Lenka

Keep giving me hope for a better day  
Keep giving me love to find a way  
Through this heaviness I feel  
I just need someone to say, everything's okay

Woke my weary head  
Crawled out of my bed  
And I said, "Oh, how do I go on?"  
Nothing's going right, shadow's took the light  
And I said, "Oh, how do I go on?"

Sometimes I need a little sunshine  
And sometimes I need you

Keep giving me hope for a better day  
Keep giving me love to find a way  
Through this messy life I made for myself  
Heaven knows I need a little

Hope for a better day  
A little love to find a way  
Through this heaviness I feel  
I just need someone to say, everything's okay  
(Everything's ok)

I gave my hope to you  
When you were nearly through  
And you said, "Oh, I can't go on"  
Well, now I need it back  
'Cause I have got a lack of all that's good  
And I can't go on

Yeah, sometimes I just need a little sunshine  
And sometimes I need you

Keep giving me hope for a better day  
Keep giving me love to find a way  
Through this messy life I made for myself  
Heaven knows I need a little

Hope for a better day  
A little love to find a way  
Through this heaviness I feel  
I just need someone to say, everything's okay

(Everything's okay, everything's okay)  
Sometimes I need a little sunshine  
And sometimes I need you

Keep giving me hope for a better day  
Keep giving me love to find a way  
Through this messy life I made for myself  
Heaven knows I need a little

Hope for a better day  
A little love to find a way  
Through this messy life I made for myself

Heaven knows I need a little  
Hope for a better day  
A little love to find a way  
Through this heaviness I feel  
I just need someone to say, everything's okay
