

Knock Knock

Lenka

A second
A minute
An hour
A day goes by
I'm hopin'
Just to be by your side
I'm turnin'
The handle
It won't open
Don't make me wait
Cause right now
I need your smile
Knock knock

When life had locked me out
I turned to you
So open the door
'Cause you're all I need right now it's true
Nothin' works like you

Little louder
Little louder
Little louder knockin'
Little louder
Little louder

A warm bath
A good laugh
An old song
That you know by heart
I've tried it
But they all leave me cold
So now I'm
Here waiting
To see you,
My remedy
For all that's
Been hurting me.

When life had locked me out
I turned to you
So open the door
'Cause you're all I need right now it's true
Nothin' works like you

You seem to know the way
To turn my frown
Upside down
You always know what to say
To make me feel like everything's okay

Little louder
Little louder
Little louder knockin' (oh oh)
Little louder
Little louder
Little louder knockin'

Little louder
Little louder

When life had locked me out
I turned to you
And you open the door
'Cause you're all I need right now it's true
Nothin' works like you

When life had knocked me down
Well I turned to you
And you open the door
'Cause you're all I need right now it's true
Nothin' works like you

Little louder
Little louder
Little louder knockin'
Little louder
Little louder
Nothin' works like you, oh oh
Little louder knockin'
Little louder
Little louder
Little louder knockin'
Little louder
Little louder
Little louder
Little louder knockin'

When life had locked me out
Well I turned to you
And you open the door
You're all I need right now it's true
Nothin' works like you
