

Lucky

Lenka

You are that cherry on top
The apple of my eye
You had me at hello
And I'll never say goodbye
You're a diamond in the rough
A needle in the hay
The moon in my life
The sun in my day

And I don't know why
I got so lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky
Ooh

You are the cream of the crop
The crackle and pop
The icing on the cake
The smile on my face
You're the fish in the sea
The knees on the bees
The flame in my fire
Stars in my sky

And I don't know why
I got so lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky
Ooh

I must have rolled one hell of a dice
To have you walking into my life

Lucky me
Lucky me, oh
I'm lucky
Ooh, lucky
Ooh, lucky
Ooh, lucky me
Ooh

And I don't know why
Honey, I don't know why
Me say I don't know why
I got so lucky
