

We Belong

Lenka

Many times, I've tried to tell you
Many times, I've cried alone
Always I'm surprised how well you
Cut my feelin's to the bone
Don't wanna leave you really
I've invested too much time
To give you up that easy
To the doubts that complicate your mind

We belong to the light, we belong to the thunder
We belong to the sound of the words, we've both fallen under
Whatever we deny or embrace, for worse or for better
We belong, we belong, we belong together

Maybe it's a sign of weakness
When I don't know what to say
Maybe I just wouldn't know
What to do with my strength anyway
Have we become a habit?
Do we distort the facts?
Now, there's no looking forward
Now, there's no turning back
When you say

We belong to the light, we belong to the thunder
We belong to the sound of the words, we've both fallen under
Whatever we deny or embrace, for worse or for better
We belong, we belong, we belong together

Close your eyes and try to sleep now
Close your eyes and try to dream
Clear your mind and do your best to
Try and wash the palette clean
We can't begin to know it
How much we really care
I hear your voice inside me
I see your face everywhere, still you say

We belong to the light, we belong to the thunder
We belong to the sound of the words, we've both fallen under
Whatever we deny or embrace, for worse or for better
We belong, we belong, we belong together
(We belong) We belong to the light, we belong to the thunder
(We belong) We belong to the sound of the words, we've both fallen under
der
(We belong) Whatever we deny or embrace, for worse or for better
We belong, we belong, we belong together
We belong, we belong, we belong together
We belong, we belong, we belong together
