

Fancy

Lennon Stella

We can make it be what we want it to
We can make our heads empty as balloons
I can't explain the muscle racing in my chest
I don't know where I'm going, but I know what's next

Oh, I hear sex and candy
Oh, I could keep on dancing
Oh, let's go somewhere fancy
Where we can keep on dancing

We can make it mean what we want it to
Wear each other's clothes and attitudes
Lay our bodies in the ground and then we'll rest
I don't know where I'm going, but I know what's next

Oh, I hear sex and candy
Oh, I could I keep on dancing
Oh, let's go somewhere fancy
Where we can keep on dancing

I'm feeling that high vibration
Aren't you feeling that?
I'm feeling that high vibration
Aren't you feeling that?

I'm feeling that high vibration
I'm feeling that high vibration
I'm feeling that high vibration
Aren't you feeling that?
Aren't you feeling that?
I'm feeling that high vibration
I'm feeling that high vibration
I'm feeling that high vibration
Aren't you feeling that?

Oh, I hear sex and candy
Oh, I could I keep on dancing
Oh, let's go somewhere fancy
Where we can keep on dancing
