

# Time After Time

Lennon Stella

Lyin' in my bed, I hear the clock tick and think of you  
Caught up in circles, confusion is nothing new  
Flashback, warm nights almost left behind  
Suitcase of memories  
Time after

Sometimes you picture me, I'm walkin' too far ahead  
You're callin' to me, I can't hear what you've said  
Then you say, "Go slow", I fall behind  
The second hand unwinds

If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time  
If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, (I'll be waiting)  
Time after time

After my picture fades and darkness has turned to gray  
Watchin' through windows, you're wondering if I'm okay  
Secrets stolen from deep inside  
The drum beats out of time

If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time

You say, "Go slow", I fall behind  
The second hand unwinds

If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time  
If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I will be waiting  
Time after time  
Time after...
