Adrenaline pumpin in my tires  
I got them fifty four inch mud swampers  
I got them hoses cuh cuh, muffler's spittin some flames  
I got some girls in the back and they ain't wearin a thing  
Adrenaline pumpin in my tires  
I got them fifty four inch mud swampers  
I'm in a hell of a hole, I slam my foot on the gas  
I drive my truck like a stogy, I've been told I'm a junkie for adrenaline

Big truck, big tires, adrenaline pumpin and I'm ready to ride  
Full blast, non-stop, pop the top cause I'm ready to rock  
Got the hubs blocked and the clutch popped, and them horses sing from my big block  
Big chevy over top and I got that system with some serious drops  
The ladies love it, when they in my bed they wearin barely nothin  
And by the end of the night I'm gon be into somethin  
She shake it fast, dancin on that poll in the back  
Sexy girls and mud holes, that's just how us mud stars roll

Down in the hotlands is where you find me  
I'm cranked up, ain't no whine to me

Cause why? It's in my blood  
After party, club muds  
Swamp buggy with the lights blindin  
Raisin hell, yeah we wilein  
Watch your mouth, ain't no bickering, we wide open nitroglycerin
