

# Can't Wait

Lenny Cooper

Been thinkin' 'bout you all day  
Wanna get home, do a little foreplay  
Walk in, see you stand in the doorway  
You with the king, baby, you can have it your way  
Undressin' here to the bedsheets  
Low key but baby know how to freak  
All night thing, we ain't gotta sleep  
We can see eye to eye, ain't gotta speak

So come here, let me kiss ya  
Been workin' all day, I miss ya  
Me, you at home, all alone  
Turnin' off our phones  
Is the perfect picture  
Don't think I'm flirtin' witchya  
These ain't just words to catch ya  
If you can't tell  
I've already fell  
So I'm tryna build a world here witchya

About to give my heart away  
Play a little bit of Marvin Gaye  
I know it sounds absurd  
But I might just say three words, it's hard to say  
About to give my heart away  
Play a little bit of Marvin Gaye  
I know it sounds absurd  
But I might just say three words, it's hard to say  
I love you

I'm gonna bump 'n' grind, R. Kelly  
Get it hot in here like Nelly  
'Bout to go out on you real heavy  
Boy, I don't think you're ready, come on  
I can't wait for you to get home  
I'm gonna bump 'n' grind, R. Kelly  
Get it hot in here like Nelly  
'Bout to go out on you real heavy  
Boy, I don't think you're ready, come on  
I can't wait for you to get home

I been waitin' on you all day  
[?] about you lovin' me the long way  
Butterflies when you comin' down my hallway  
Baby, let's get it own like the song say  
I just want you to come and kiss me  
Feels good just to know you miss me  
'Cause I missed you too  
Everything you do  
You don't know how hard it gets me  
Baby, I just wanna love you  
Know you had a long day, let me rub you  
As long as you keep it true  
I'll do just about  
Anything that you want to  
And I don't want you to leave [?], baby, stay the night  
So we can talk a while while you hold me tight

I want somethin' more than a one night stand  
I want more than a one night man

About to give my heart away  
Play a little bit of that Sade  
I know it sounds absurd  
But I might just say three words, it's hard to say  
I'm 'bout to give my heart away  
Play a little bit of that Sade  
I know it sounds absurd  
But I might just say three words, it's hard to say  
I love you

I'm gonna bump 'n' grind, R. Kelly  
Get it hot in here like Nelly  
'Bout to go out on you real heavy  
Boy, I don't think you're ready, come on  
I can't wait for you to get home  
I'm gonna bump 'n' grind, R. Kelly  
Get it hot in here like Nelly  
'Bout to go out on you real heavy  
Boy, I don't think you're ready, come on  
I can't wait for you to get home
