It's who I am, it's where I live
The place I'm from, my heritage
My mom and dad, my wife and kids
My family dream, my Lennyiage

It's who I am, it's where I live
The place I'm from, my heritage
My mom and dad, my wife and kids
My family dream, my Lennyiage

I started off doing this for fun
Now I, now I do it for my legacy so when I'm done
I can pass it down to my daughters and my son
Same as dad when he told me how to shoot a gun
How to fish, how to fight, never run
Stand your ground and family is number one
I can, I can hear his voice whenever things get rough
Saying son always keep your chin up
Don't let them see you sweat, life's tough
But work hard and you will always have enough
Show respect, yes ma'am, no sir
Remember all you really have is your words

It's who I am, it's where I live
The place I'm from, my heritage
My mom and dad, my wife and kids
My family dream, my Lennyiage

It's who I am, it's where I live
The place I'm from, my heritage
My mom and dad, my wife and kids
My family dream, my Lennyiage

Everything I do is for my family and my kids
Don't hold a grudge, it's always better to forgive
Don't ever take much more than you can give
And always think before you ever burn a bridge
Life's, life's short, learn to never waste a moment
And when you're in it, you better own it
If you want to reap it, first you gotta sow it
You gotta add water, if you want to grow it
Complaining won't get you where you're going
Trust me life's fast, it's gone before you know it
Pretty soon you'll have kids of your own
Make sure to teach them what I've taught you when you're grown

It's who I am, it's where I live
The place I'm from, my heritage
My mom and dad, my wife and kids
My family dream, my Lennyiage

It's who I am, it's where I live
The place I'm from, my heritage
My mom and dad, my wife and kids
My family dream, my Lennyiage
