

Mud Digger 2

Lenny Cooper

"What's up? It's Mud Digger! Part 2 Part 2 I'm country, now how 'bout you? I
love to keep it dirty when I ride through town, mud diggin' in the field to
night
It's goin' down!

We mud boggin'
You stuck watchin'
Wishin' you could be with us, 'cause the party poppin'
You say you can dig, man we ain't seen nothin'
Your girl wanna be with us, now I heard she said she want a

Mud digger
We keep the mud by the pound
Our tires stay roaring while we ride through the town
Mud digger
And I keep a bad truck around
Big truck, tall suspension, 40 inches from the ground
Mud digger
And my Chevy's sittin' on 44's
Pipes louder than glass packs, straight pipes, y'all know
Mud digger
Y'all don't know how the mud diggin' goes?
Then get a couple tickets to a mud boggin' show (damn right!)

Mud digger
We be makin' it rain
Mud clumps be fallin' like comets, it's insane
Trucks lined up, 'bout as long as the train
We be goin' all night, 'cause we don't play no games
'Cause there ain't no competition, we be tearin' in up
We just like the Lacs, 'cause we be kickin' up mud
I'm crazy as hell, the only word I know is "go,"
Mud digger part 2, y'all, welcome to the show

Mud digger
We keep the mud by the pound
Our tires stay roaring while we ride through the town
Mud digger
And I keep a bad truck around

Pipes louder than glass packs, straight pipes, y'all know
Mud digger
Y'all don't know how the mud diggin' goes?
Then get a couple tickets to a mud boggin' show

I got a Jones County chick
And a big truck, big mud tires and it's jacked up
Daisy Dukes on her butt when she back it up
Drop it to the ground
Move it around
And pick it back up
She rides shotgun in the pickup
Yelling cuss words out the window
And that ain't half of it
She got a beer in her hand, and if she spill it

Wipe the mud off the can and then she kill it
