

B Side Blues

Lenny Kravitz

Wooh!
I'm so tired and I'm all burn down
Say I'm so tired
And I'm all burn down
They say I got to write some new songs
But I'm all time down
Waouh!
They gimme six days to rise myself
Hmm ahah
And I can't get no sleep
Six days to rise myself
And I can't get no sleep
My complains of my ass
I can't get no release
Hey hey yeah haahaha yeah!

Sell
I was born, long ago
That sells right
I'm the choosen, I'm the one, hey hey
Sing the song, sell those records
Repeat yourself do it again one more time
Yeah!
I don't ever do nothing twice
And I feel just fine, ahah
Take this song and shut up your ass
Yeah! Ahahahah talk fully
Yeah! Mother records give me that star
Hey! Ahahahah!
Gonna be a big famous Rock & Roll star
Gonna buy a new car
Yeah! Hey! Yeah!
