Johnny Cash

Lenny Kravitz

I need you love in every way
I need your strength to make me great
I've been so wrong
Am I too late?

Just hold me like Johnny Cash
When I lost my mother
Whisper in my ear
Just like June Carter
And though I fight these tears that I hide
Just hold me tight for the rest of my life

I need your mind to understand
I need your soul, it makes me a better man
With you by my side
I'd have a chance

Just hold me like Johnny Cash
When I lost my mother
Whisper in my ear
Just like June Carter
And though I fight these tears that I hide
Just hold me tight for the rest of my life

With you by my side
I'd have a chance

Just hold me like Johnny Cash
When I lost my mother
Whisper in my ear
Just like June Carter
And though I fight these tears that I hide
Just hold me tight for the rest of my life

Johnny Cash...
Well well well well...
