

Paralyzed

Lenny Kravitz

In your face and in your eyes
I see truth beneath your lies
I have faith in all you do
Heal my pain, make all things new

All you gotta do is keep on lovin' me
I'm under your spell, I'm hypnotized
All you gotta do is keep on lovin' me
Babe without your love I'm paralyzed

You're the sun that always shines
Stare you down until I'm blind
Everyday my dreams come true
I can't get enough of you

All you gotta do is keep on lovin' me
I'm under your spell, I'm hypnotized
All you gotta do is keep on lovin' me
Babe without your love I'm paralyzed

Oh I need your love
Baby I need your love

All you gotta do is keep on lovin' me
I'm under your spell, I'm hypnotized
All you gotta do is keep on lovin' me
Babe without your love I'm paralyzed

All you gotta do is keep on lovin' me
I'm under your spell, I'm hypnotized
Give your love to me, give your love to me
Babe without your love I'm paralyzed
