

## Sittin' on Top of the World

Lenny Kravitz

Remember the times we used to play  
We'd sing and we'd dance all damn day  
But all I do is sing the blues  
But have I forsaken you by telling you  
What you must do  
And all I do is sing the blues  
But I would never lie, let things go by  
Leave you in a road to die  
I would never ever say good bye

Never gonna say good bye  
Never gonna say good bye

Remember the times that we  
Used to share  
You got to remember the times  
That we used to share  
That we used to share

But the only way for you to survive  
Is to open your heart it will guide  
You wanna stay in this world of music and life  
You got to turn around  
And spread a little love and get high
