

Stillness Of Heart

Lenny Kravitz

F#mi

I'm out here on the street
There's no one left to meet
The things that were so sweet
No longer move my feet

E D

But I keep trying I keep on trying

A E Hmi
All that I want is stillness of heart

D

So I can start

A E Hmi
To find my way, out of the dark

And into your heart...

F#mi/E - F#mi

I got more than I can eat
A life that can't be beat
Yet still I feel this heat
I'm feeling incomplete

E D

What am I buying? My soul is crying
All that I want is stillness of heart,
so I can start
To find my way, out of the dark,
and into your heart... (2x)

H

Where's the love...

D

What is this world we live in?

H

Where's the love...

D

We've got to be more giving

H

E

Where's the love... What happened to forgiving? Anyone...?

All that I want is stillness of heart, so I can start
To find my way, out of the dark, and into your heart
All that I want is stillness of heart, so I can start
To find my way, out of the dark, and into your heart...
