

## Lovelight

Leo Sayer

Now the days are getting brief and the light is dim  
But there's no battle up ahead that we can't win  
Love is real, love is true  
And I owe it all to you

'Cos you kept that lovelight glowing  
Kept that lovelight glowing  
Kept that lovelight glowing - in your heart

There were days of despair  
When it seemed that no one cared  
But when people passed by  
Without even a sigh  
You just smiled and let it ride

You kept that lovelight glowing  
Kept that lovelight glowing  
Kept that lovelight glowing - in your heart

Now we know all there is, about hanging on  
About sharing, about caring  
About singing our favourite song

There were times when I could not find a friend  
When I thought all my dreams were at an end  
But that was just when you came through  
And I owe it all to you

'Cos you kept that lovelight glowing  
Kept that lovelight glowing  
Kept that lovelight glowing - in your heart

Yeah you, kept that lovelight glowing  
Kept that lovelight glowing  
Kept that lovelight glowing - in your heart, yeah

You kept that lovelight glowing - in your heart
