

Sho Nuff

Leon Bridges

[Verse 1]

Standin' in the doorway
Silhouette on the wall
Connected to your body
Physical and spiritual

[Pre-Chorus]

And you know what I need
From my crown to my feet
Oh, please, baby, please
Before I fall to my knees

[Refrain]

Tell me how you like it
I just wanna try it
Tease me, but provide it
You got me excited

[Chorus]

But don't rush
That's that feeling I need more of
Sho nuff, babe
But don't rush
That's that feeling I need more of
Sho nuff, babe

[Verse 2]

Say my name, say my name
Let it roll off ya tongue
This is what it feels like
When two become one

[Pre-Chorus]

And I know what you need
From your crown to you feet
Oh, please, baby, please
I'm down on my knees

[Chorus]

But don't rush
That's that feeling I need more of (Sho nuff)
Sho nuff, babe
But don't rush
That's that feeling I need more of (Sho nuff)
Sho nuff, babe

[Post-Chorus]

Doo-doo-doo-doo, doo-doo-doo-doo-doo
Sho nuff (Sho nuff), sho nuff, babe
Doo-doo-doo-doo, doo-doo-doo-doo-doo
Sho nuff (Sho nuff), sho nuff, babe

[Refrain]

Tell me how you like it
I just wanna try it
Teas me, but provide it
You got me excited

[Chorus]

But don't rush
That's that feeling I need more of
Sho nuff, babe
But don't rush
That's that feeling I need more of
Sho nuff, babe

[Post-Chorus]

Doo-doo-doo-doo, doo-doo-doo-doo-doo (Ooh, ooh, ooh)
Sho nuff (Sho nuff), sho nuff, babe
Doo-doo-doo-doo, doo-doo-doo-doo-doo (Ooh, ooh, ooh)
Sho nuff (Sho nuff), sho nuff, babe

[Outro]

Hangin' on to every minute and I don't ever want it to end
When it's over, start to miss it and then I just want you again
