

Fever

Leon Russell

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me fever, when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night

Sun lights up the daytime
Moon lights up the night
My eyes light up when you call my name
'Cause I know you're gonna
know you're gonna, know you're gonna give it to me right

Fever all through the night
Fever in the morning
know you're gonna treat me right

Listen to me baby, hear every word I say
No one can love you the way I do
'Cause they don't know how to love you my way

You give me fever, when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night

Bless my soul I love you, take this heart away
Take these arms I'll never use
And believe in what my lips have to say

You give me fever, when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night

Sun lights up the daytime
Moon lights up the night
My eyes light up when you call my name
'Cause I know you're gonna
know you're gonna, know you're gonna give it to me right

Fever all through the night
Fever in the morning
Fever all through the night

Bless my soul I love you, take this heart away
Take these arms I'll never use
'Cause I know you're gonna
know you're gonna, know you're gonna give it to me right

Fever all through the night
Fever in the morning
know you're gonna treat me right
