

# I've Just Seen A Face

Leon Russell

Well, I've just seen a face  
I can't forget the time or place where we first met  
She's just the girl for me  
I want all the world to see we've met

Well, had it been another day  
I might have looked the other way  
And I'd have never been aware  
As it is, I'll dream of her tonight

Oh, fallin', yes, I am fallin'  
And she keeps callin'  
Me back again

Oh, fallin', yes, I am fallin'  
And she keeps callin'  
Me back again

I have never known the like of this  
I've been alone and I have missed things  
And kept out of sight  
But other girls were never quite like this

Oh, falling, yes, I am fallin'  
And she keeps callin'  
Me back again

Oh, falling, yes, I am fallin'  
And she keeps callin'  
Me back again

And she keeps callin'  
Me back again

And she keeps callin'  
Me back again

And she keeps callin'  
Me back again
