

Say you gottta leave, 5 more minutes,
5 more minutes baby, 5 more minutes
Say you gotta go, working over 5
But all I need is 5 more minutes of your time

Hate when the seconds fly
When I'm with the one I love,
That's you, that's you
I savor every single touch
That's why I'm feeling you so much,
It's true that you

Your kiss is so sweet, you got me saying please stay open, open late
for me
I seen you look at your phone, swear I'll get you alone
Stay open, open late for me, ooh ooh ooh ooh ooh ooh (yeah you make me
go)
Ooh ooh ooh yeah ooh ooh ooh (yeah you make me go) ooh ooh ooh ooh 24

Red eyes in the morning, staying up all night
I'm talking to you on the phone yeah you think I've had a red up fly
You think am an addict, but you my only habit
When it comes to you, girl I gotta have it

Hate they way the seconds fly,
When I'm with the one I love,
That's you, that's you
I savor every single touch that's
Why I'm feeling you so much,
It's true that you

Your kiss is so sweet, you got me saying please stay open, open late
for me
I seen you look at your phone, swear I'll get you alone
Stay open, open late for me, ooh ooh ooh ooh ooh ooh (yeah you make me
go)
Ooh ooh ooh yeah ooh ooh ooh (yeah you make me go) ooh ooh ooh ooh 24
